## Agenda Item: 9.b.

**Meeting Date:** December 1, 2016

**From:** George Williamson, Executive Officer & Kathy Bull, Office Manager

**Subject:** City of Redding Municipal Service Review / Sphere of Influence update

### **BACKGROUND:**

The Commission approved the City of Redding Municipal Service Review / Sphere of Influence Update on December 18, 2014. There was no Resolution adopted for this action, at that time. A Resolution documenting the Commission action, including a Sphere of Influence reduction was prepared and placed on the August 2016 commission agenda. This matter was continued to the December meeting, at the request of the City.

### **DISCUSSION:**

In October, the Executive Officer met with City Development Services staff to discuss having the Resolution on the December agenda for Commission action. Subsequent to that meeting the Development Services Director requested:

“... While approval of the resolution may indeed just be a matter of clearing up the public record, we respectfully request that the matter be continued another 60 days while our City Council considers the related matter of serving Village at Tierra Oaks subdivision with sanitary sewer.”

### **RECOMMENDATION:**

It is recommended that the Commission continue this item to the February 2017 meeting as requested by the City.
