Atten: Jan Lopez, Executive Officer

We have received your letter dated January 8, 2015, we appreciate updating the Board of Directors as to the items remaining to be completed by LAFCO. As of our Board of Directors Meeting of January 13, 2015, we have not been able to complete the Property Tax Exchange process. This has caused the Union School Road Reorganization Annexation Application to be delayed. We will continue property tax exchange negotiations with the county and update you on our progress periodically.

Thank you
