Dear Ms. Lopez,

The District is in receipt of the Notice of Intent to Adopt Bella Vista Water District's MSR/SOI scheduled for November 20th. However we have not yet received a copy of the proposed draft MSR and we must still resolve several SOI boundary map clarifications. As such, I would like to request that any hearing for Bella Vista Water District be continued until December 4, 2014, and after we have received and reviewed the draft MSR.

Please contact me if you have any questions or require additional information,.

Sincerely,

David J. Coxey
General Manager
