

SHASTA LAFCO

Report to the Shasta Local Agency Formation Commission

From: Amy K. Mickelson, Executive Officer

Meeting Date: January 13, 2011
Agenda Item #: 7c
Subject: Report on Upcoming or Potential LAFCO Activity (*Information*)

Background and Discussion

Proposals that have been received and are currently in review, preparation or hearing phases with the LAFCO process:

- The Elk Trails Annexation that was approved by Shasta LAFCO in November 2009 completed the Assessment election portion of their project. The project is currently being recorded and will then be filed with the State Board of Equalization.

Some proposals that are expected are:

- McConnell/Steiner Annexation to ACID
- Airport Area Annexation to the City of Redding
- Commercial Way Annexation to the City of Redding
- Sphere Revision to the City of Anderson

Other items that have been discussed with LAFCO staff are:

- Vineyards Annexation to the City of Anderson/Anderson Fire Protection District
- Salt Creek Detachment from Shasta CSD/Annexation to the City of Redding
- Northfork Annexation to Happy Valley Fire Protection District
- Northfork Annexation to Clear Creek CSD
- Possible dissolution of Shasta CSD, merger with another District or creation of a CSA. A public meeting was called on October 14th to discuss this possibility and other opportunities for the District. LAFCO staff did attend and provide information as requested. The District is currently conducting a straw poll among their ratepayers. No further action by LAFCO has been requested at this time.

Conclusions and Recommendations

Review and file.
