Dear Ms. Lopez,

It is requested that the Municipal Services Review and updated Sphere of Influence for the Centerville Community Services District be postponed from the September 4, 2014 meeting. At this time, the proposed update will be presented to the District's Resource and Planning Committee for review, followed by it being reported to the Board of Directors at the September meeting.

Please contact me at your earliest convenience should you have any questions related to this matter.

Sincerely,

Would you prepare a formal request to table consideration of your SOI/MSR Update so I can bring it to the agenda review committee this week? Something on letterhead and signed will work. Just explain your review program.

If you get it to us in September, we could schedule a hearing on it in November.

Thanks! We had a good meeting and resolved a number of things for me.
